NOTE: Only records and performances that have been approved through the proper process are included in the National High School Sports Record Book. For a record or performance to be published in the record book, the application form must be completed and approved by the home state athletic/activity association. Forms can be obtained through the state associations or the National Federation. Candidates are encouraged to make application promptly after an outstanding performance.

The National Records Committee has set forth a number of criteria that must be met to ensure that only worthy individuals or teams are included in the record book. Individuals should contact their state association or the National Federation regarding policies.

All listings in the 1989 National High School Sports Record Book are through the 1987-88 school year. Applications for the 1989 book must be received by May 1, 1989 (fall and winter sports) and August 1, 1989 (spring sports). The listing of schools in the record book includes the city, the name of the high school and the state. In cases where the city and the name of the high school are the same, just the city and state are listed. (Example: Chicago Brother Rice, IL, refers to Brother Rice High School in Chicago, Illinois. El Segundo, CA, refers to El Segundo High School in El Segundo, California.)

If sufficient material is available, the current top 10 performances in specific categories are listed. If fewer than 10 are listed, additional information is not available.

FOREWORD

The National Federation of State High School Associations is proud to present the 11th edition of the **National High School Sports Record Book.** As the organizations responsible for protecting and promoting high school athletic programs in the United States, the National Federation and its membership acknowledge an obligation to make this publication available.

The **National High School Sports Record Book** will bring proper recognition to high school boys and girls, coaches and teams who have achieved outstanding performances in interscholastic athletic competition. The National Federation believes such recognition helps stimulate interest in high school athletic programs and motivates other competitors to improve their skills. Moreover, National Federation guidance of the national interscholastic records program will assure that only deserving teams and individuals will lay claim to national records.

The National Federation Records Committee oversees the interscholastic records program. The committee, which meets annually in July, forms policy which it believes is necessary to make the records program reliable and the records authentic. Occasionally, new policies have required deletion of performances which appeared in previous editions. The National Federation invites information which may lead to additional records listings or corrections of existing listings.

The National Federation would like to express its sincere thanks and appreciation to the many people who helped in the gathering of material contained in the 1984 edition of the **Record Book.**

A list of credits for photographs and other material contained in this sixth edition follows the records listings.

A family affair . . .

When Scott Cornwell of Parkton Hereford captured a Maryland state cross country title in 1970, one of the most remarkable family accomplishments in prep history was underway. Brother Greg matched Scott's accomplishment by winning the state championship in 1971 and then younger brother David topped them both by winning three consecutive state crowns. After dominating state competition from 1970-74, the Cornwell family briefly loosened their hold on the field until 1977 when John became the fourth and final member of the family to capture state championship honors.

***STAR GOALIES — Anita Emery** (above) of **Milford Delaware Valley, PA,** was nothing short of spectacular in her three-year career. Emery collected 42 shutouts, including 17 in 1976 and 15 in 1977. Her goals against average for her 51 high school games was a stunning 0.22, allowing only 11 goals, while pacing MDV to a 47-3-1 record. Continuing in this fine tradition during 1978 was **Beth Case** (below) who allowed only 6 goals during a 17-game regular season for MDV. She gave up only one goal — on a penalty stroke — during six district and state tournament games, leading MDV to a 22-0 record and the state crown. She had 17 shutouts, tying Emery's then national single-season record. In 1979, Case had 15 shutouts and allowed only two goals as MDV posted a 17-1 record for the season.*

SOONER STANDOUTS** — Who wouldn't coach a college football team with the nation's fourth and sixth ranked career high school rushers on it? Barry Switzer at Oklahoma sure didn't complain. The Sooner head coach had a backfield that totaled over 15,300 yards combined as preps. **Billy Sims** (left) is number four all- time with 7,738 for **Hooks, TX, while David Overstreet** (right) logged 7,652 for **Big Sandy, TX.

The "Sugar Land Express" stands alone

The colorful history of high school football is composed of countless outstanding offensive performers who have taken on legendary status. The impressive list is almost endless — Red Grange, Dike Eddleman, Gale Sayers, Billy Sims, Earl Campbell, Pat Haden, Herschel Walker, and on and on and on.

The best of all time. Easy — **Ken Hall,** who during his sensational career established 17 national offensive records while running out of the tailback position in **Sugar Land's (Texas)** potent single wing attack. Attesting to his dominance in the sport are 14 current national records which have endured three decades of assault from nearly one million players every year.

Among the numerous career accomplishments of the "Sugar Land Express" is the distinction of being the only player in prep history to rush for over 10,000 yards during his career. Hall's total of 11,232 is nearly 3,500 yards more than runner-up Sims. He is also the all-time national total offense leader, having accumulated 14,556 yards, and the nation's most prolific scorer. His brilliant offensive talents enabled him to become the top scorer ever (899 points) and the only player in history to register over 100 career touchdowns (127).

Also the only player to rush for over 4,000 yards in a season, Hall galloped 4,045 yards in 12 games during his senior campaign in 1953, averaging over 300 yards per outing. In addition to the record-setting 1953 showing, he holds down the runner-up spot on the single season rushing chart as well with 3,458 yards in 1952.

His offensive accomplishments border on the incredible since he seldom saw extensive second-half action. During his career he recorded 38 100-yards rushing performances, including 21 consecutive games in which he surpassed the century mark during the 1952 and '53 seasons. His total offensive showing of 5,146 yards in '53 is a national best and represents an amazing one-man offensive showing of 428.8 yards per contest.

Hall's finest hour may have come against Houston Lutheran on October 9, 1953. On only 11 carries that day he rushed for 520 yards, an average of 47.3 yards every time he touched the ball. He also returned a kickoff 64 yards, ran back a punt 82 yards and returned an interception 21 yards en route to scoring seven touchdowns. Typically, he played but a few minutes in the second half of the contest.

Following his legendary prep career, Hall went on to play under Paul "Bear" Bryant for three years at Texas A&M and then played professionally with several clubs in the Canadian Football League, American Football League and National Football League.

***FLORIDA FIREPOWER** — Two of the finest pure passers in high school history displayed their talents at the same school — **Tallahassee Leon (FL)** — and then went on to enjoy success as teammates at Florida State University where they shared quarterback chores in leading the Seminoles into the national spotlight. **Wally Woodham** (left) paced Tallahassee Leon's passing attack in 1974 by throwing for 3,571 yards — then a national record — on the strength of 248 completions, the 10th best mark ever. The following year **Jimmy Jordan** (right) shattered Woodham's records, becoming the only player to pass for over 4,000 yards (4,098) in a season. He also is No. 4 and No. 3, respectively, with 471 attempts and 263 completions in a season.*

***PASSING ARTISTS — Ron Cuccia** (left) of **Los Angeles Wilson** is second in career passing yardage (8,804) from 1975 to 1977. He also is ranked in nine other passing categories. **Ron Moyer** (right) of **Hamilton (IN) Southeastern** is another 6,000-yard passer with 6,167 from 1978 to 1981. He is ranked fifth in touchdown passes in a season with 41.*

***6,000-YARD CLUB — Tom Mountin** (left) of **Elmwood, WI**, and **Gary Kubiak** of **Houston St. Pius** are two more of the 21 quarterbacks to pass for 6,000 or more career yards. Mountin had 6,377 from 1980 to 1983, and Kubiak 6,190 from 1975 to 1978.*

***QUARTERBACK DELUXE** — The most accurate passer in high school football history, **Pat Haden** (above) teamed with end **John McKay, Jr.**, in giving **La Puente Bishop Amat, CA**, perhaps the most devastating combination ever. Haden completed 62.0 percent of his passes from 1968 to 1970 and threw for 82 touchdowns, and in 1969 set national standards for both percentage (67.9) and TDs (42). He and **Los Angeles Wilson, CA**, standout **Ron Cuccia** are two of only eight prep quarterbacks to toss for more than 7,000 yards and complete 500 or more passes during their careers. A Rhodes Scholar, Haden joined McKay at Southern California where they formed one of collegiate football's top tandems and then later became a star for the Los Angeles Rams.*

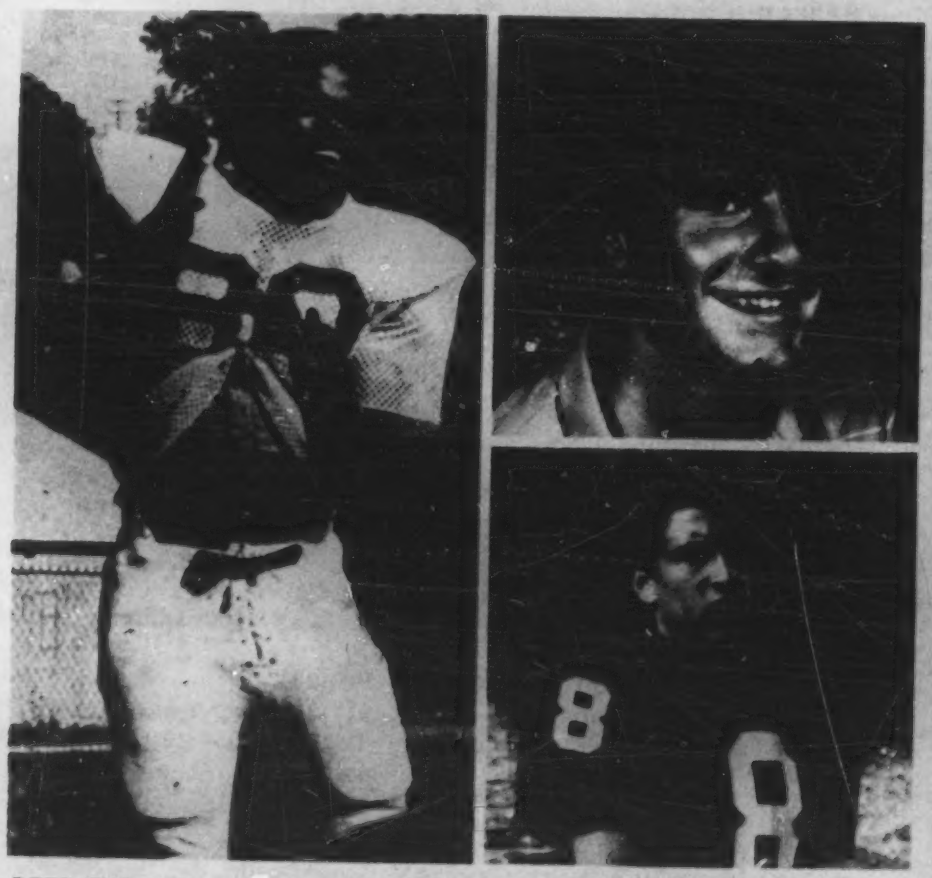
***CALIFORNIA CROWD PLEASERS** — The favorite receiver of quarterback **Pat Haden** at **La Puente Bishop Amat (CA)**, **John McKay, Jr.** (left), shown here playing for Southern Cal, holds one national record and ranks in the top 10 in eight other categories. McKay concluded his prep career with 207 receptions for 3,389 yards and 48 touchdowns before moving on to USC where he once again joined Haden in taking the Trojans to national prominence. McKay went on to play for father John McKay, Sr., at Tampa Bay of the NFL. **Steve Martinez** (top right) earned a prominent place in the record book by joining with quarterback **Ron Cuccia** to give **Los Angeles Wilson (CA)** one of the most prolific passing-receiving tandems in prep history. Martinez established four national marks during his career including standards for most pass receptions (121) and yards receiving (1,846) during 1977. **Joe Virgil** (bottom right) of **LaVerne Damien, CA**, caught 17 touchdown passes in 1979 to raise his career total to 29 and build a reputation as one of the game's most exciting receivers.*



***DEEP THREATS** — In 1980 **Terry Bell** (left) of **Waynesville, MO,** established a national receiving mark (now third) by averaging 133.1 yards per game. He had 1,065 yards and 57 catches. **P. K. Williams** (upper right) of **Lizton (IN) Tri-West** closed his career in 1985 with 187 pass receptions, good for sixth all-time. **Jerry Hamilton** (lower right) of **Carpenteria, CA,** hauled in 27 TD passes in 1979, good for the No. 2 spot all-time.*

Prep baseball's first ace

Few high school performers have ever showcased their talents in as dramatic a fashion as **Ken Beardslee,** pitching great from **Vermontville, MI.**

During his short 25-game high school career he struck out 452 hitters, won 24 of 25 pitching decisions, tossed eight no-hitters and two perfect games. His lone setback was also a demonstration of pitching brilliance as he dropped a 1-0 verdict his senior year.

The Michigan strikeout artist averaged better than 18 strikeouts a game and in 1949 averaged over 19 whiffs a game, striking out 209 in only 11 contests. He once set down 25 hitters on strikes in a 19-inning triumph over Holt. Another of his top strikeout performances came in a one-hitter when he registered 20 K's against Saranac and in a no-hit effort against Potterville he chalked up 19 strikeouts.

The prep standout went on to sign for $6,000 with the **New York Yankees** in 1949. The aspiring young pitcher was one step from the big leagues when a back injury in the International League prematurely halted his career. His record in the Yankees' minor league chain was an impressive 62-24, including a 32-8 standard over his final two seasons.

When his playing days ended, Beardslee continued to lend talents to the game of baseball by conducting camps in Indiana and scouting for the **Pittsburgh Pirates** for nearly 20 years. Among the talents he came up with for the Pirates was **Dave Parker,** power hitting outfielder who paced Pittsburgh to a world championship in 1979.

***TOUGH OUTS — Jaymie Stum** (top left) of **Elliotsburg West Perry, PA,** hit 27 consecutive games, the fifth best streak ever, during the 1980 season. During the span he fashioned a 42-for-82 showing for a sizzling .512 average. **Keith Roy** (lower left) had a dream day at the plate for **Collinsville Canton, CT,** in 1981 when he paced his school to a 17-8 victory over Torrington Oliver Wolcott Technical. He became one of 15 prep players to record six hits in a contest. **Adam Scales** (right) of **Adairville, KY,** put on one of the most awesome run-producing displays in prep history in 1981. In leading Adairville to a 10-5 win over Todd County Central, Scales registered back-to-back grand slam homers in the opening two innings of the contest. He finished the game with a three-for-four performance that included 10 RBI while figuring in all of Adairville's scores.*

***GOOSE EGGS** — Former **Houston Astros'** righthander **James Rodney (J. R.) Richard** was the first prep to be listed in both the hitting and pitching sections of the **National High School Sports Record Book.** The righthanded strikeout artist did not allow an earned run in 1969, his final year at **Ruston Lincoln High School.** Just as imposing at the plate, he is one of only 18 preps to hit four or more home runs in one game, turning the feat against Jonesboro Jackson in a 48-0 rout. The performance also garnered him 10 RBIs, six short of the national all-time high. **Kelly Owens** (right) of **Junction City, AR,** was nearly untouchable while registering a 45-2 career record from 1979 to 1981. He produced records of 10-1, 17-0 and 18-1 and established the nation's second-best mark by chalking up 32 consecutive victories. His 24 shutouts are second only to the national best of 29 established by David Clyde.*

***BIG LEAGUE LEFTIES** — Only one of five high school pitchers to win 50 or more games in his career, Baltimore Orioles' ace **Scott McGregor** (left) continues to climb up the ladder of professional baseball success. McGregor was twice named California Interscholastic Federation-Southern Section Class AAA "Player-of-the-Year" while hurling for **El Segundo** in the early '70s. He posted a 51-6 career record and is listed in five national high school pitching categories. Former Arizona State star and big leaguer **Floyd Bannister** of the Chicago White Sox (right) didn't do too badly in high school either. Bannister had a career ERA of 0.56 while pitching for **Seattle Kennedy** in Washington State. He didn't allow an earned run in 1973. He posted 15 victories as a senior, earning the team's Most Valuable Player award for the third straight year while leading the Lancers to a state title.*

***CHAMPIONSHIP FORM** — In the 1960 Texas State Conference AAA baseball final, **Seguin**, behind the no-hit hurling of **Chuck Hartenstein** (top left), blanked Snyder 3-0 for the coveted title. The smallish pitcher, known affectionately as "Twiggy" by his teammates, had stints with several major league clubs in his career, including the Chicago Cubs. In 1967, Los Angeles Dodger standout, **Burt Hooton** (right) led **Corpus Christi King** into the Texas Conference AAAA state final game by hurling a 2-0 no-hitter against Houston Lee in the semifinals. King went on to win the state crown, besting Abilene Cooper 1-0 in the final. **Ken Holtzman** (lower left) once pitched a no-hitter in the Missouri state semifinals for **University City**. University City, who beat Springfield Hillcrest 4-0 behind Holtzman, won the state title that year (1963), downing defending state champion Cape Girardeau Central 6-3 in the finale. Following his prep career Holtzman enjoyed a successful and lengthy big league career, touring with the Cubs on two occasions as well as the Oakland A's and New York Yankees during the two American League clubs' championship years in the 1970s. **Floyd Webb** of **Kellyville, OK**, put his name in the record book by stealing 79 bases during the 1986 season, good for third place all-time.*

Prep stars scoring big in pro ranks

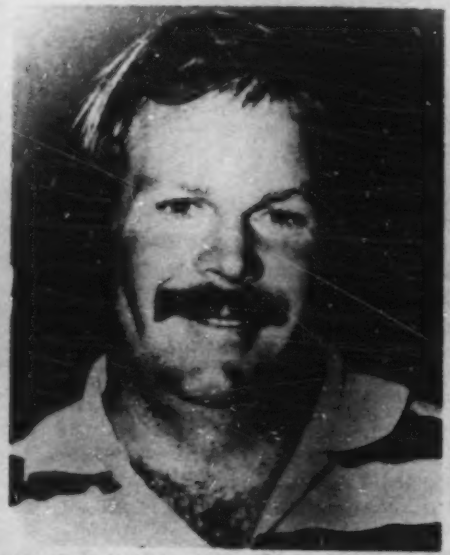
While none of the three-time state champs has made a big hit in professional golf, some of the present PGA stars did enjoy noteworthy success on the high school level. For example —

Jack Nicklaus, considered by many to be the best professional golfer of all time, left his mark not only in the college ranks at Ohio State but also on the high school level while at Columbus **Upper Arlington, Ohio.** The "Golden Bear," winner of virtually every major professional title, led the Golden Bears (believe it or not) to the state championship crown in 1956 while scoring the second lowest 36-hole total in the state's high school championship series. The blond bomber stroked a masterful 144 in pacing Arlington to one of its nine championship titles. Nicklaus' 148 in 1957, though good enough for his second championship, wasn't enough for Arlington to overcome Cincinnati St. Xavier.

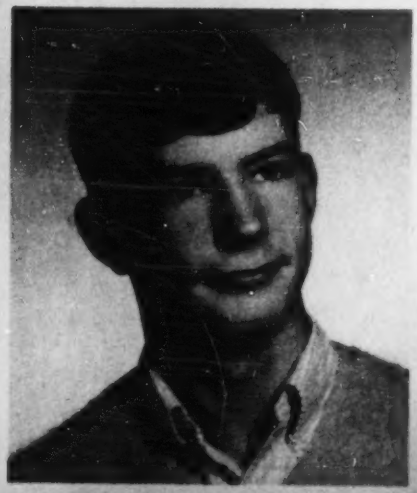
Tom Kite and **Ben Crenshaw** combined to hold on to the Texas Conference Class AAAA crown for four straight years. Kite, playing for **Austin McCallum,** scored championship rounds in 1967 and '68 before Crenshaw took up the reigns, winning individual titles for rival **Austin High School** in 1969 and '70.

Andy North, the 1978 United States Open champion, captured a pair of high school crowns in Wisconsin. The **Monona** star shot a 152 in winning the 1966 title and a sparkling 143 in garnering the '67 crown.

MEDALISTS — Clarksville, TN, *product* **Mason Rudolph** *(left), another pro to climb the ladder from the high school ranks, won his state's individual honors twice. He captured titles in 1951 and '52, scoring the lowest 54-hole total ever with a 206 in the 1952 event.* **Tom Watson** *(right), who has won virtually every major championship as a professional, also was a two-time state medalist as a prep. The* **Kansas City (MO) Pem-Day** *product took individual honors with a 70 in 1966 and then toured 27 holes the following year in 108 strokes.*



ALL-TIME GREATS — *Touring Professional Golfers Association (PGA) player* **Craig Stadler** *(left) was an outstanding prep golfer in California long before he burst on the professional scene with a string of major victories in the 1980s. The* **La Jolla, California,** *graduate shot a blistering 141 total over 36 holes to capture the California Interscholastic Federation Four-Section championship in 1971.* **PGA legend Billy Casper** *(right) found winning at the prep level almost as much of a challenge as winning at the pro level. Casper, while attending* **Chula Vista High School** *in California, won the CIF-Southern Section championship only once in three tries. The 1949 champ, winner of a sudden-death playoff, finished second his other two attempts.*



***DOWN THE MIDDLE** — Only 15 players in prep history have captured three or more state golf championships. **Mike Barnett** (top left) is the only Montana boy to accomplish the feat, winning crowns in 1967, 1969 and '70. **Chris Perry** (bottom left) of **Edina West** claimed three Minnesota Class AA state tournament wins, including a one under par 141 showing in 198[illegible]. **Dale Howell** (right) of **Larned** added his name to the impressive contingent by winning Kansas crowns from 1950 to 1952.*

OFFENSIVE STARS — Kim Wagner (left) of Wauzeka, WI, closed out an outstanding career in 1981 by moving into several national offensive rankings. Nabbed only once in four seasons on the basepaths, she ranks eighth all-time in stolen bases with 119, including 36 her senior year. Her speed was only one of Wauzeka's offensive weapons as her consistent bat produced a .603 career average and 98 RBI. A mainstay of the El Centro Central Union, CA, powerhouse, Jill Bennett (right) is tied for 10th in doubles in a season with 12, setting the mark in 1980.

***MOWING 'EM DOWN** — Over the 1982 and '83 seasons **Julie Bolduc** (left) of **Southington, CT,** established herself among the top pitchers in softball history. In '83 she tossed a national record 20 shutouts enroute to a perfect 23-0 record that pushed her career mark to 45-1. Included were 15 consecutive shutouts which lifted her career shutout count to 36, seventh on the career list. As a junior in 1982, she fashioned a sparkling 22-1 record and near-perfect 0.24 ERA that was highlighted by one of the most remarkable strings of scoreless pitching ever. As a senior she turned in 129.2 innings without allowing an earned run, the best showing ever recorded. **Michele Broussard** (right), of **Vandebilt (LA) Catholic** closed out perhaps the most remarkable pitching career in prep history in 1983 by posting a 27-0 record that brought a fitting end to a near-perfect four-year stretch. During her career the undefeated righthander posted a national record 88-0 ledger, while pacing Vandebilt to four consecutive state crowns and a national best of 112 consecutive wins. All in all, she owns three of the top 10 totals for victories in a season, having gone 32-0 as a sophomore and 27-0 her last two years. She also had 684 strikeouts as a result a three successive 200-plus campaigns.*

***JAEGERS DOMINATE ILLINOIS TENNIS — Susy Jaeger** (right), of **Prairie View Stevenson,** bares down in Illinois state final action. In 1978 Jaeger became the second girl in the state's tournament history to win three singles titles. She could have become the first Illinois girl and a member of an elite group nationally to win four singles titles, but was upset by **Hinsdale Central's Susan Whitney** in the semifinals of the 1979 tourney. Freshman sister **Andrea Jaeger** defeated Whitney, 6-3, 6-0 in the finals; so the 1979 championship trophy stayed in the same family. Andrea repeated as state champ in 1980 and then went on to dazzle the world at Wimbledon, where she became the youngest player ever to reach the semi-finals.*

TEXAS GREATS — Beth Kothmann** (top left) of **Junction High**, captured Texas Class A state singles titles in her sophomore, junior and senior years, after winning the state doubles crown with Lorna McDonald as a freshman in 1964. CALIFORNIA CHAMPS — Cory Schubert of San Jose Del Mar ranks as one of prep track's top distance runners. In 1983 she shattered the girls 3,200-meter mark by over four seconds, turning in a 10:04.2 clocking. No girl has ever approached the shotput feats of Fullerton's Natalie Kaalawahia who paced girls nationwide in the event from 1981 to 1983. She established a national record with a 52-4½ toss in 1981, logged a national best mark of 50-3 in '82, and then shattered her own record by over a foot, throwing 53-7¾ in 1983 as a senior.

***COACHING LEGEND — Earl F. Quigley** guided **Little Rock** (now Central) to 18 consecutive Arkansas boys state track championships during the 30 years he coached there. At one time, his teams lost only two of 100 track meets. His football teams posted 134 wins, 61 losses and 12 ties (.687 percentage) and won seven state championships. His basketball teams won 306 games against only 95 losses (.763 percentage) and captured six state titles. His baseball teams went 207-37 (.848) and were state champs nine times. His overall coaching record of 760 wins, 190 losses, 11 ties (.791 percentage) and 40 state championships is one of the truly great records in all of sports.*

SCHOOL ACTIVITIES: The Other Half of Education
Celebrate National High School Activities Week
October 15-22, 1989

PHOTO AND MATERIAL CREDITS

The National Federation and the editor of the *National High School Sports Record Book* would like to sincerely thank all the many people and organizations which have made this book possible. To list everyone who has made a contribution to the *Record Book* would be impossible. Below is a modest attempt to credit photographers, photograph sources, main contributors of information used in photo captions and stories, and the newspapers and sportswriters who have contributed work to the book. To everyone not listed, a sincere apology. Your contribution, no matter how small, was just as important in making the 10th edition a success.

NOTE: Where only the name of the city, school, and state are mentioned, credit is to that high school.

RECORD INFORMATION

RECOGNIZING THE BEST . . .

Applications are invited for all performances which might be considered for inclusion in the National High School Sports Record Book, whether as new national records or for listing among the top performances in a specific category.

Performances must be established in competition conducted in compliance with the eligibility rules of the state high school association involved and all National Federation playing rules for the sport, unless the National High School Records Committee judges the variance in rules does not significantly give advantage to the establishment of the record performance.

Applications are available through your state high school associations and the National Federation. Completed applications must be forwarded to the home state association for its endorsement prior to consideration by the National High School Records Committee.
